

Environmental Policy Statement

Sovereign Property Services Limited is committed to reducing the impact of its activities on the environment, assisting our customers in encouraging the use of environmentally friendly plant, materials and packaging.

To this end, Sovereign Property Services Limited is working towards continuously improving its environmental performance in the workplace i.e. Workshop, domestic properties and commercial sites

To meet this commitment, we will pursue the following objectives:

- To ensure compliance with all applicable environmental legislation.
- To reduce emissions and pollution.
- To improve waste management practices.
- To reduce consumption of natural resources.
- To minimise noise and other resources.
- To assist in the management of improving staff awareness.
- To continuously assess its environmental performance.
- All waste and rubbish will be taken to an approved waste disposal site.
- Where possible, we will use goods made from recycled materials.
- Recycle where possible.

The necessary personnel along with financial resources will be allocated to assist the Company in meeting its environmental objectives. In addition, the Company will continue to raise levels of environmental awareness throughout its workforce and to promote this awareness to its customers and suppliers.

As Managing Director, it is my responsibility to ensure that the Company's policy is implemented and to this end and in recognition that injury, damage and loss can be avoided, we have the responsibility for co-ordinating the overall effectiveness of the Environmental Policy within the Company.

The business will promote and encourage environmental working attitudes by active participation from all employees, and accepts responsibility for the environmental impact of persons other than its own employees who may be affected by its works activities.

Sovereign Property Services Limited is committed in seeking to continually improve the environmental standards on its sites and premises.
